

# **I Am a State Soldier**

**I am a state soldier. I am committed to the principles that make us free and the liberty that others only dream of.**

**I protect the homeland while my brothers and sisters in the armed forces protect my freedom on foreign shores.**

**I protect our homes and families until they return.**

**I will never use my position for personal comfort or gain. I gladly sacrifice for my fellow soldiers and will never leave them without.**

**I serve quietly and faithfully without favor or reward.**

**I will never quit or allow others under my leadership to fail.**

**I am a protector, mentor, comforter, friend.**

**I am the true Minuteman. A STATE SOLDIER**
